Don,

There is still \$46,021.66 available under contract C-119223. You need to submit an invoice for deliverables 6 & 7 along with the usual billing information.

Can you tell me how much is available in the referenced project for me to invoice for? The retention should be there and I believe a few dollars from the implementation phase of the project. I have received the IRS non-profit approval letter and would like to bill for the remainder and close this out ASAP.

Thank you.
